PRIVACY SERVICES

- Multi-regulatory privacy gap
- Privacy advisory services
- Privacy Program Design
- Privacy Attestation (GDPR, CCPA)
- Data Privacy Impact Assessment (DPIA)

Services

- GDPR gap assessment
- GDPR advisory services
- GDPR attestations
- CCPA gap assessment
- COPPA
- FERPA (US student privacy reg)
- + LGPD (Brazil general privacy reg)
- Privacy program development

TECHNICAL TESTING (COALFIRE LABS)

- Simulate sophisticated real-world attacks.
- Hunt for and uncover hidden threats and risks.
- Understand the impact of potential threats.

Services

- Enterprise penetration testing
- Application penetration testing
- Connected System / IoT testing
- Static Application Testing
- Red teaming
- Social engineering
- Physical assessment
- Research and development
- Vulnerability scanning

SOLUTIONS ENGINEERING

- Effectively integrate security solutions.
- Optimize the overall security posture.
- Protect organizations from cyber threats.
- Realize the fastest path to a safe, compliant cloud.

Services

- Accelerated Cloud Engineering (ACE)
- Vulnerability management
- Vulnerability analysis
- Product validation
- Product white papers
- Continuous monitoring
- Configuration evaluation
